4. United Kingdom (UK) sanctions concerning Argentina

EXPORT CONTROLS

On 27 June 2018, the Minister of State for Foreign and Commonwealth Affairs announced a revised policy on exports to, and trade (trafficking and brokering) in, controlled goods and technology for end-use by the Argentine military. Our general position is that we will continue to refuse licences for export and trade of goods judged to enhance Argentine military capability.

TRANSIT CONTROL

Argentina is subject to transit control for military and certain other goods.
